

WHAT DOES LOCAL LOVE LOOK LIKE?

Kate is the Food Bank Coordinator at Simcoe Hall Settlement House where she provides basic necessities. Kate is also ready with referrals to other local programming for clients because when you don't have food in your cupboard, usually, there are other issues that need to be addressed. Jennifer, one of Kate's clients, relies on the food bank to help feed her family, which includes three growing boys, one of which requires a special diet. With United Way funding, individuals and families like Jennifer's can access food and basic needs that give not only nourishment, but a small break from the endless struggle to provide necessities and one less worry.
